Career Counseling Cases

Issues of a nontraditional student: The case of Fabian, *5*
The influence of life roles and readiness for career decision making: The case of Fabian, *8*
A returning adult's struggle with wanting it all: The case of Fabian, *33*
Losing a job to position upgrading: The case of Rhonda, *198*
Facing organizational realities: The case of Rhonda, *201*
Confronting a career myth: The case of Rhonda, *204*
Be promoted or be fired: The case of Harry, *302*
Converting an accidental career into a plan: The case of Harry, *306*
Dilemmas of life planning: An adult in transition, *309*

Career Counseling with Special Groups

Issues in career making for workers with developmental disabilities, *147*
Using career information with dropouts and at-risk youth, *159*
Background and family variables in a causal model of career maturity: Comparing hearing and hearing impaired adolescents, *47*

Career Issues

Annual review: Practice and research in career counseling and development, 1988, *100*
Issues in career decision making for workers with developmental disabilities, *147*
Infusing life and vitality into career counseling classes, *171*
A comparison of burnout in selected occupational fields, *230*
The separate and combined effects of SIGI or DISCOVER and a career-planning course on undecided university students, *261*
Africentricity and career development, *334*
C. H. Patterson on client-centered career counseling, *291*

Computers and Career Services

Career Navigator: Its use with college students beginning the job search process, *65*
Career planning connections: Using the computer to match students with professionals in the field, *75*
The separate and combined effects of SIGI or DISCOVER and a career-planning course on undecided university students, *261*
A review of the computerized version of the Self-Directed Search, *325*

Program Descriptions

Central Utah's JTPA career guidance and job placement program, *82*
Using career information with dropouts and at-risk youth, *159*
The career decision-making course: Description and field test, *275*

Research and Evaluation

Annual review: Practice and research in career counseling and development, 1988, *100*
Young adult predictors and midlife outcome of male fine art careers, *213*
Background and family variables in a causal model of career maturity: Comparing hearing and hearing-impaired adolescents, *47*
Gender differences in self-ratings of abilities and skills, *347*

Social Context

The Soviet school reforms of 1984: Making career development a matter of state control, *39*
The Value of "Values," *208*
Preretirement counseling: Integrating the leisure planning component, *360*

Women and Minority Persons

The Management Game: An educational intervention for counseling women with nontraditional career goals, *6*
Perceptions of the work environment and implications for women's career choice: A survey of university faculty women, *57*
Africentricity and career development, *334*
Gender differences in self-ratings of abilities and skills, *347*

World of Work

The Management Game: An educational intervention for counseling women with nontraditional career goals, *6*
Perceptions of the work environment and implications for women's career choice: A survey of university faculty women, *57*
Losing a job to position upgrading: The case of Rhonda, *198*
Facing organizational realities: The case of Rhonda, *201*
Confronting a career myth: The case of Rhonda, *204*
A comparison of burnout in selected occupational fields, *230*
Be promoted or be fired: The case of Harry, *302*
Dilemmas of life planning: An adult in transition, *309*
Converting an accidental career into a plan: The case of Harry, *306*
